**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T and Comcast have way too much control. Sonic provides FAST internet with very reliable customer service for a FRACTION of the cost. Internet is a necessity and a right in today's world, not a privilege. Not everyone can afford the crazy high costs of AT&T and Comcast.

In many communities, local providers are the ONLY connections rural communities have to the internet. Dont cut off Rural America!

Please oppose this now!
